Mr. SPEAKER.—I am not allowing any discussion.

ಶ್ರೀ ಕುಂದೂರು ರುದ್ರಪ್ಪ.—ಅಲ್ಲಿ ನಡೆದ ಅಪಘಾತವನ್ನು ನಾನು ತಮ್ಮ ಗಮನಕ್ಕೆ ತರುವುದು ಬೇಡವೇ ?

Mr. SPEAKER.—The Hon'ble Member may write to me on this subject.

PAPERS LAID ON THE TABLE.

Sri B. D. JATTI (Minister for Finance).—I beg to lay the Report and Accounts of the Mysore State Financial Corporation for the year ended 31st March 1963, as required under sub-question (8) of Section 38 of the State Financial Corporation Act, 1951.

MYSORE APPROPRIATION (No. 3) BILL, 1663.

Sri B. D. JATTI (Minister for Finance).—I beg to introduce :

"The Mysore Appropriation (No.3) Bill, 1963."

Mr. SPEAKER.—The Bill is introduced.

Motion to consider.

Sri B. D. JATTI.—I beg to move :

"That the Mysore Appropriation (No.3) Bill, 1963 be taken into consideration."

Mr. SPEAKER.—Motion moved :

"That the Mysore Appropriation (No.3) Bill, 1963, be taken into consideration."

Sri SANJEEVANATH AIKALA (Suratkal).—I want to speak a few words because yesterday I could not get an opportunity to speak on the Supplementary Grants.

Mr. SPEAKER.—No further discussion seems necessary.

Sri SANJEEVANATH AIKALA.—Yesterday it was agreed that half-an-hour might be given.

Mr. Speaker, Sir, most of this appopriation amount goes towards the payment of Dearness allowance. I, on my part, do not feel that the work of the Departments has been carried out in commensurate with the money expended by those Departments.

Mr. SPEAKER.—The Hon'ble Member has to confine himself to the Supplementary Demands and not speak on the entire Budget.

Sri SANJEEVANATH AIKALA.—I would like to confine myself to Demand No. 22 – Animal Husbandry, 11 – Administration of Justice and 10–General Administration. It has come from the horse's mouth that the orders or instructions or suggestions of most of the Ministers

(SRI SANJEEVANATH AIKALA)

are not carried out by their officers. The Hon'ble Education Minister told us that he has passed some orders, but they have not been carried out. The Hon'ble Health Minister tells us that there are several lapses in his Department and that he does not know where to fix the responsibility. The Revenue Minister says there are so many fights in his Department that he is unable to do anything in that respect. He told in this House that there is 'volajagala' in the Veterinary Department. Since there is not much time at my disposal, I wish to refer only to three or four points pertaining to the Animal Husbandry Department. It has been rightly said that it is not only a department of Animal Husbandry, but it is a department of Animal Husbandry *cum* Political Science, because in this Department politics play a very great part in matters of Promotions in matters of fixing the seneority, in matters of appointments of professors in Veterinary College. There is so much of wire-pulling that right type of people are not appointed to right places. I am sorry to say that the legacy left by the ex-Government or Ministers is still pursued in the Department. There are two definite sections in the Veterinary Department and one section is working against the other section. Most of the officers will be running after the Members of the Legislative Assembly or the Ministers. Consquently, the Head of the Department is unable to implement many of the schemes. Under this head, Government is demanding Rs. 17 lakhs for several new schemes. The Land Grant College is going to be started soon and it has intimate relation with the working of this Department. There is so much distress among the officers and professors working in that College. In spite of several representations, nothing has been done. I have got definite reports that the services of most of the officers, for whom Government has spent for their post-graduate studies in foreign countries, have not been utilised properly.

SRI B. D. JATTI.—Sir, he is speaking on certain items which have no connection whatsoever with the present Bill. What is the use of talking in general? It is not a genral discussion on the general Budget.

SRI SANJEEVANATH AIKALA.—It is not general at all. I am putting forth as to how the Departments are working. About the selection of permanent professors to that College, a proposal was sent to the Government nearly 1½ years back. Yet, the Government has not called for applications and made permament selections. I am bringing these facts to show how even some of the officers, whose dutiea were so clear, instead of discharging those duties are trying to circumvent all those duties just to see that they get seniority or promotion or other such benefits. Such things are not only happening in the Veterinary Department alone, but also in other Departments of Government. But in this Department it has started an integrated states.

Coming to the Public Works Department, I wish to point out.....

MR. SPEAKER.—Why did not the Hon'ble member ask for time yesterday?

Sri SANJEEVANATH AIKALA.—My name was given, but for want of time, I was not given a chance.

Under the Public Works Department, I wood like to refer to certain points in connection with the acquisition of lands for the Mangalore Port at Pananbur. Acquisition proceedings have already been started and nearly more than 400 families were to be dislocated. The Government first allotted them certain places nearby in the neighbouring village, known as Baikampadi. Subsequently, Government have issued instructions to the Acquisition Officers that lands should not be given in that village and now they were shown Government lands far away, *i.e.*, nearly 10 to 20 miles away.

Mr. SPEAKER.—Does the member mean to suggest that possession has been taken over?

Sri SANJEEVANATH AIKALA.—The Government lands in Baikampadi village were allotted to those families, originally,

Mr. SPEAKER.—What does he mean by allotment? Suppose if those lands are required for the expansion of the Port?

Sri SANJEEVANATH AIKALA.—Baikampadi is a place where they should be shifted to as ordinary divided. But these, families are asked to select places far way from Baikampadi and Tamrirabave villages.

In the matter of administration of justice, I very much regret to point out that is more than 130 cases, in which arguments were heard, are pending judgement. Now, if all these cases are required to be taken up afresh, it is a serious inconvenience to the public.

With these few remarks, I conclude.

Sri B. D. JATTI.—Mr. Speaker Sir, although the Hon'ble Members have spoken, I need not reply to them because they have not spoken on anything which is relevant to the clauses of the present Bill. There is a difference between this Bill and other Bills. In the case of other Bills, the consideration of the provisions will be there. But in the case of the Appropriation Bill, all the items contained in the Bill will have been discussed and demands voted previously by this August House.

The only point which Sri Aikala was referring was the acquisition of land for the development of the Mangalore Port. There, we have not displaced any people. Before they are displaced, we will take care to shift them to proper places and all arrangements will be made before people are displaced.
